The AWG meetings are open to the public and there will be an opportunity for audience members to ask questions following the presentation and Working Group agenda items.

 improvements being considered

Maywood is a key stakeholder in the I-290 corridor, and IDOT's goal is to develop a plan that addresses both transportation needs and community concerns. The purpose of the Town Hall meeting is to present the work to date by the AWG and IDOT, and provide additional input opportunities for the community.

There will be an open house format from 6:00 to 7:00 PM, where you can view study exhibits and maps, as well as speak one-on-one with study team representatives. **A formal presentation will begin at 7:00 PM followed by a moderated Q&A session ending at 8:30 PM.**
